

REMARKS

The above amendments have been made to the specification to relate by reference to the earlier filed applications.

Applicants note that under M.P.E.P. § 201.11, since the benefit claim was included in the Declaration **as originally** filed with the application on July 7, 2006, and the benefit claim was recognized by the United States Patent and Trademark Office as shown by its inclusion on the filing receipt, Applicants are permitted to amend the specification to insert the priority information.

Accordingly, the Examiner is respectfully requested to enter the above amendments before the payment of the Issue Fee. Favorable consideration is respectfully requested.

The Applicants further respectfully note that the Israeli Patent Office was closed from January 7, 2005 to January 8, 2005, making January 9, 2005 the next available filing date of the international patent application PCT/IL2005/000027.

CONCLUSION

The Examiner is welcomed to telephone the undersigned attorney if he has any questions or comments. Please charge any fee deficiency or credit any overpayment to Deposit Account No. 14-0112.

Respectfully submitted,
